

“HOW CAN I JOIN COCO ART GALLERY?”

www.cocoartgallery.com

All Artists applying for entry to the Gallery must be members of one of the Art Council's [21 art organizations](#).

Due to the overwhelming response from talented Artists in our area, we currently do not have enough wall space to accept new 2 D Artists at this time. Limited space for 3 D artists is still available.

For those 2 D artists who would like to be placed on a “Wait List” for future consideration, download & complete the application under the “How to Join” tab on the website. Review all the information, especially the Prospectus.

Email the requested information to **cocoartgalleryjury@gmail.com**. Your application will be kept on file and you will be notified if your artwork will be considered for acceptance, along with existing COCO artists. Please understand that being accepted as a COCO artist does NOT guarantee that all your artwork is automatically juried in each month. Along with your fellow artists, ALL work is subject to jurying each month.

All mediums, styles and levels of artist expertise will be considered by the Jury Committee, but maintaining a balance in variety and style and the proportion between abstract and representational art is something that the Gallery is trying to achieve. This may result in otherwise acceptable work not being considered at certain times.

Be sure to review all the information on the “Procedures/Forms” tab, especially the [Prospectus](#) and [Receiving Procedures](#) information.

All of your questions should be answered by reading the website information. If you still have questions, please email Gallery Secretary Elaine Lefebvre – **paradisecoast703@gmail.com**.
